Upon arrival at Angkor ticket counter in Siem Reap, you will be met and welcomed by our English speaking guide. After buying your temple passes (temple passes are included), you will be transferred for the breakfast. Breakfast at local restaurant in front of Angkor Wat (at your own cost).

Angkor Wat - after breakfast, visit the magnificent temple built by Suryavarman II in the early 12th century. Angkor Wat symbolizes Mount Meru, home of the gods, and considered the pinnacle of Khmer architecture. This Vishnuite temple is the King's funerary temple, which is why the temple is oriented to the west. Inside the temple the walls are covered by carvings and bas-reliefs depicting the Hindu mythology and the wars during the reign of Suryavarman II. As well, Angkor Wat is well-known for the 1800 Apsara dancers decorating the temple. It is said to take a lifetime to discover all the wonders of this temple.

Angkor Thom City complex - continue to the Great City of Angkor Thom, the last capital of the Great Khmer Empire under the reign of Jayavarman VII. This city is surrounded by an 8 meters high wall; each side of the city is 3 kilometers long. It draws a perfect square with access to this town through 5 gates; 4 of them representing the cardinal points and the 5th one being the Victory Gate leading directly to the Royal Palace area.

You will arrive via the **South Gate**, an impressive stone gate carved with Elephants and 4 giant faces. On each side is a row of 54 gods or demons holding the sacred Naga snake.

After passing through the South Gate, you will go along a shaded road to the **Bayon** temple. This temple lies exactly in the center of the city. The particularity of this monument is the 54 towers representing the 54 provinces of the then Great Khmer Empire. Each tower has 4 faces. This is the only temple in Cambodia depicting scenes of the everyday life at the time of the empire.

From the Bayon continue by walking to the **Baphoun** recently re-opened to the public. There you will pass by the **Phimeanakas**, the location of the **Royal Palace**. The only remaining features are a pond and a temple. The palace was made of wood and did not survive the time and the wars.

Then continue to the **Terrace of the Elephants**. This terrace was the place where the parade was held for the king. Next is the **Terrace of the Leper King** depicting the water world.

Ta Prohm Ruins (known as Tomb Raider temple) & small circuit - continue to **Ta Prohm**, one of the most popular temples of the Angkor Complex. This temple was built in the memory of the King Jayavarman VII's mother. When found by the French conservators at the end of the 19th century, they deliberately left this temple in the same condition as it was discovered, overgrown by strangler fig and silk-cotton trees, giving the temple a mystical and romantic appeal.

Your visit will also include **Banteay Kdei**, a Buddhist monastery from the late 12th century, **Srah Srang**, also known as the "pool of ablution", the identical twin temples of **Tommanon** and **Chaosay Tevoda**, and **Krovan** temple.

Lunch at local restaurant (at your own cost)

After lunch, continue visit temples and then return to Siem Reap, stop by Siem Reap market, explore the city and markets located in former French colonial head quarter.

This city is surrounded by an 8 meters high wall; each side of the city is 3 kilometers long. It draws a perfect square with access to this town through 5 gates; 4 of them representing the cardinal points and the 5th one being the Victory Gate leading directly to the Royal Palace area.

You will arrive via the **South Gate**, an impressive stone gate carved with Elephants and 4 giant faces. On each side is a row of 54 gods or demons holding the sacred Naga snake.

After passing through the South Gate, you will go along a shaded road to the **Bayon** temple. This temple lies exactly in the center of the city. The particularity of this monument is the 54 towers representing the 54 provinces of the then Great Khmer Empire. Each tower has 4 faces. This is the only temple in Cambodia depicting scenes of the everyday life at the time of the empire.

From the Bayon continue by walking to the **Baphoun** recently re-opened to the public. There you will pass by the **Phimeanakas**, the location of the **Royal Palace**. The only remaining features are a pond and a temple. The palace was made of wood and did not survive the time and the wars.

Then continue to the **Terrace of the Elephants**. This terrace was the place where the parade was held for the king. Next is the **Terrace of the Leper King** depicting the water world.

Ta Prohm Ruins (known as Tomb Raider temple) & small circuit - continue to **Ta Prohm**, one of the most popular temples of the Angkor Complex. This temple was built in the memory of the King Jayavarman VII's mother. When found by the French conservators at the end of the 19th century, they deliberately left this temple in the same condition as it was discovered, overgrown by strangler fig and silk-cotton trees, giving the temple a mystical and romantic appeal.

Your visit will also include **Banteay Kdei**, a Buddhist monastery from the late 12th century, **Srah Srang**, also known as the "pool of ablution", the identical twin temples of **Tommanon** and **Chaosay Tevoda**, and **Krovan** temple.
