Kindly provide your pick-up and drop-off styles for direction!

KULEN WATERFALL NATIONAL PARK , KBAL SPEAN 1000 LINGAM WATERFALL AND BANTEAY SREI

Kulen waterfall – in the morning, you will be met and welcomed by our English speaking guide, picked up and transferred to **Kulen Waterfall national park**. Jayavaraman II was the first king of the Angkorian era, though his origins are recorded in history that borders on legend. He is reputed to have been a Khmer prince, returned to Cambodia around 790AD after a lengthy, perhaps forced stay in the royal court in 'Java'. Regardless of his origin, he was a warrior who, upon returning to Cambodia, subdued enough of the competing Khmer states to declare a sovereign and unified 'Kambuja' under a single ruler. He made this declaration in 802AD in a ceremony on Kulen Mountain (Phnom Kulen) north of Siem Reap, where he held a 'god-king' rite that remain more than hundred decades.

Lunch at local restaurant (at your own costs)

Kbal Spean waterfall - continue to the original "River of a Thousand Lingas" Kbal Spean is and intricately carved riverbed deep in the foothills the Cambodian jungle. Lingas are phallic representations sacred to Hinduism as symbols of fertility, and hundreds of them are carved into the rock here, as are several carvings of Gods and animals above the small waterfall. The area was only rediscovered in 1969 when French researcher Jean Boulbet was shown the carvings by a local hermit.

Banteay Srei - continue to visit Banteay Srei, made of pink sandstone and is one of the smallest temple you can visit but one of the most beautiful as well. Built in 967 AD by a guru to Jayavarman V, it showcases the most exquisite, deep and complex carvings in all Khmer architectures. As well the carvings and bas-relief are in a perfect condition although being here for more than millenary.

Return to Siem Reap.

TOUR ENDS

**CAMBODIA
TRAVEL TRAILS**
