Overnight at hotel in Siem Reap

Day II - Angkor Wat sunrise, Angkor Wat, Angkor Thom, Bayon, Ta Prohm, small circuit and Phnom Bakheng Hill sunset or Pre Rup temple sunset

In the morning - at 5am, pick up for viewing the picturesque sunrise at Angkor Wat.

Angkor Wat - after sunrise, visit the magnificent temple Angkor Wat, built by Suryavarman II in the early 12th century. Angkor Wat symbolizes Mount Meru, home of the gods, and considered the pinnacle of Khmer architecture. This Vishnuite temple is the King's funerary temple, which is why the temple is oriented to the west. Inside the temple the walls are covered by carvings and bas-reliefs depicting the Hindu mythology and the wars during the reign of Suryavarman II. As well, Angkor Wat is well-known for the 1800 Apsara dancers decorating the temple. It is said to take a lifetime to discover all the wonders of this temple.

Enjoy your hotel packed breakfast at local restaurant in front of Angkor Wat.

Angkor Thom City complex - after breakfast, continue to the **Great City of Angkor Thom**, the last capital of the Great Khmer Empire under the reign of Jayavarman VII. This city is surrounded by an 8 meters high wall; each side of the city is 3 kilometers long. It draws a perfect square with access to this town through 5 gates; 4 of them representing the cardinal points and the 5th one being the Victory Gate leading directly to the Royal Palace area.

You will arrive via the **South Gate**, an impressive stone gate carved with Elephants and 4 giant faces. On each side is a row of 54 gods or demons holding the sacred Naga snake.

After passing through the South Gate, you will go along a shaded road to the **Bayon** temple. This temple lies exactly in the center of the city. The particularity of this monument is the 54 towers representing the 54 provinces of the then Great Khmer Empire. Each tower has 4 faces. This is the only temple in Cambodia depicting scenes of the everyday life at the time of the empire.

From the Bayon continue by walking to the **Baphoun** recently re-opened to the public. There you will pass by the **Phimeanakas**, the location of the **Royal Palace**. The only remaining features are a pond and a temple. The palace was made of wood and did not survive the time and the wars.

Then continue to the **Terrace of the Elephants**. This terrace was the place where the parade was held for the king. Next is the **Terrace of the Leper King** depicting the water world.

Lunch at local restaurant (at your own cost)

Ta Prohm (known as Tomb Raider temple) & small circuit - continue to **Ta Prohm**, one of the most popular temples of the Angkor Complex. This temple was built in the memory of the King Jayavarman VII's mother. When found by the French conservators at the end of the 19th century, they deliberately left this temple in the same condition as it was discovered, overgrown by strangler fig and silk-cotton trees, giving the temple a mystical and romantic appeal.

Your visit will also include **Banteay Kdei**, a Buddhist monastery from the late 12th century and **Srah Srang**, also known as the "pool of ablution", the identical twin temples of **Tommanon** and **Chaosay Tevoda**, and **Krovan** temple.

Return to Siem Reap after watching sunset over the top of **Phnom Bakheng Hill**. Dominating the flat landscape, this 10th Century mountain temple is the most popular spot in the area to watch a classic sunset over Angkor Wat and the

surrounding forest or

Watching sunset at **Pre Rup** temple, a Hindu temple, built as the state temple of king Rajendravarmān and dedicated in 961. It is a temple mountain of combined brick, laterite and sandstone construction. The temple's name is a comparatively modern one meaning "turn the body". This reflects the common belief among Cambodians that funerals were conducted at the temple, with the ashes of the body being ritually rotated in different directions as the service progressed.

During the night of your stay in Siem Reap, you can enjoy Siem Reap nightlife, night markets, foods and other fun activities in Siem Reap downtown, Pub Street areas and city formerly French colonial head quarter.

Overnight at your hotel in Siem Reap.

Day III - Chong Kneah floating village and Siem Raep departure

Kindly let us know your preferred drop off information when you have it available?

Chong Kneah floating village - after breakfast at your hotel, transfer to the Phnom Krom pier for boat on Tonle Sap Lake to visit floating village of Chong Kneah at the edge of Tonle Sap Lake. Cambodia's Great Lake, the Boueng Tonle Sap (Tonle Sap Lake) is the most prominent feature on the map of Cambodia – a huge dumbbell-shaped body of water stretching across the northwest section of the country. In the wet season, the Tonle Sap Lake is one of the largest freshwater lakes in Asia, swelling to an expansive 12,000km². During the dry, half of the year the lake shrinks to as 3000 km², draining into the Tonle Sap River, which meanders southeast eventually merging with the Mekong River at the "Chaktomuk" confluence of river opposite Phnom Penh.

Then it's time for shopping at the Artisans d'Angkor, where you can observe young Cambodians being trained in the making of traditional crafts.

Lunch at local restaurant (at your own costs)

Remainder of the day, time free and relax on your own leisure at hotel or explore Old Market, Pub Street, Siem Reap City formerly French colonial head quarter on your own.
