KAMPONG THOM GRASSLAND BENGAL FLORICAN

Cambodia's wetlands and grasslands abound in water birds: Greater Adjutant, Spot-billed Pelican, Sarus Crane and the wonderful Bengal Florican are easily seen.

Open dry forests give excellent views of Giant and White-shouldered Ibises, White-rumped Pygmy Falcon and a globally diverse numbers of woodpeckers. Our guides have staked out all the owls, so you don't lose any sleep over them, and our vulture restaurant ensures you get fantastic views of Cambodia's three Critically Endangered vultures. We know just where to find pittas, pheasants and other forest birds in the east, as well as the Mekong Wagtail.

Our tours are custom-made – the itineraries shown are suggestions based on our deep knowledge, or we can work with you to create your trip for your unique requirements, interests, and capabilities.
