KAMPONG KLIENG FISHING VILLAGE

Kampong Klieng fishing village – in the morning, you will be met and welcomed by our English speaking guide, picked up and transferred to Kampong Klieng fishing village, is located on the northern lake-edge about 35 km east of Siem Reap. It is more remote and less touristed than Kampong Pluk. Visitors during the dry season are universally awestruck by the forest of stilted houses rising up to 10 meters in the air. In the wet season the water rise to within one or two meters of buildings. Kampong Khleang is a permanent community within the floodplain of the Lake, with an economy based in fishing and surrounded by flooded forest. But Kampong Khleang is significantly larger with near 10 times the population of Kampong Pluk, making it the largest community on the Lake.

Return to Siem Reap.
