**Angkor Wat** - after lunch, transfer to visit the magnificent temple Angkor Wat, built by Suryavarman II in the early 12th century. Angkor Wat symbolizes Mount Meru, home of the gods, and considered the pinnacle of Khmer architecture. This Vishnuite temple is the King's funerary temple, which is why the temple is oriented to the west. Inside the temple the walls are covered by carvings and bas-reliefs depicting the Hindu mythology and the wars during the reign of Suryavarman II. As well, Angkor Wat is well-known for the 1800 Apsara dancers decorating the temple. It is said to take a lifetime to discover all the wonders of this temple.

Return to Siem Reap after watching sunset over the top of **Phnom Bakheng Hill**. Dominating the flat landscape, this 10th Century mountain temple is the most popular spot in the area to watch a classic sunset over Angkor Wat and the surrounding forest or

Watching sunset at **Pre Rup** temple, a Hindu temple, built as the state temple of king Rajendrarvarman and dedicated in 961. It is a temple mountain of combined brick, laterite and sandstone construction. The temple's name is a comparatively modern one meaning "turn the body". This reflects the common belief among Cambodians that funerals were conducted at the temple, with the ashes of the body being ritually rotated in different directions as the service progressed.

During the night of your stay in Siem Reap, you can enjoy Siem Reap nightlife, night markets, foods and other fun activities in Siem Reap downtown, Pub Street areas and city formerly French colonial head quarter.

This city is surrounded by an 8 meters high wall; each side of the city is 3 kilometers long. It draws a perfect square with access to this town through 5 gates; 4 of them representing the cardinal points and the 5th one being the Victory Gate leading directly to the Royal Palace area.

You will arrive via the **South Gate**, an impressive stone gate carved with Elephants and 4 giant faces. On each side is a row of 54 gods or demons holding the sacred Naga snake.

After passing through the South Gate, you will go along a shaded road to the **Bayon** temple. This temple lies exactly in the center of the city. The particularity of this monument is the 54 towers representing the 54 provinces of the then Great Khmer Empire. Each tower has 4 faces. This is the only temple in Cambodia depicting scenes of the everyday life at the time of the empire.

From the Bayon continue by walking to the **Baphoun** recently re-opened to the public. There you will pass by the **Phimeanakas**, the location of the **Royal Palace**. The only remaining features are a pond and a temple. The palace was made of wood and did not survive the time and the wars.

Then continue to the **Terrace of the Elephants**. This terrace was the place where the parade was held for the king. Next is the **Terrace of the Leper King** depicting the water world.

**Ta Prohm (known as Tomb Raider temple) & small circuit** - continue to **Ta Prohm**, one of the most popular temples of the Angkor Complex. This temple was built in the memory of the King Jayavarman VII's mother. When found by the French conservators at the end of the 19th century, they deliberately left this temple in the same condition as it was discovered, overgrown by strangler fig and silk-cotton trees, giving the temple a mystical and romantic appeal.

Your visit will also include **Banteay Kdei**, a Buddhist monastery from the late 12th century and **Srah Srang**, also known as the "pool of ablution", the identical twin temples of **Tommanon** and **Chaosay Tevoda**, and **Krovan** temple.
